

Orchard Blossom Day Art Competition

Grimsthorpe Castle | April to 12 May

Orchards are an intrinsic part of the traditional English country garden and provide a beautiful scenic space for visitors to enjoy here at Grimsthorpe.

Spend time in our Walled Gardens this month, enjoy a picnic with family and friends, relax with a book, or create art under trees laden with blossom.

To celebrate our blossom we are holding an open art competition and we would love you to take part!
