We have a designated car park with ample parking on site. Parking incurs no extra charge. There are coach parking bays at the top of the car park, please follow the signs on site for parking.

A member of staff will meet you upon arrival with a map for each group member and accompany your group down to the Visitor's Entrance and the Castle.

Catering

The Estate is currently undergoing some building and refurbishment works to our usual Tea Room and Gift Shop. As such The March Hare, a local, independent catering company, will be operating on site serving takeaway food and drink to visitors. There is indoor seating and outdoor picnic benches opposite. Please see the attached menu for food options and prices, and book directly with The March Hare if you would like catering for your group. Contact details can be found at the bottom of the menu.

Alternatively, your group is more than welcome to bring a picnic.

Visitors With Disabilities

We want to make your visit as enjoyable as possible, so please let us know in advance if members of your group have significant mobility limitations.

Toilets

There are lavatories with facilities for disabled people at the Visitor's Entrance, near the Castle and in the Walled Garden. Unfortunately we do not have a changing places toilet. Please visit the Changing Places website to find the nearest facility: <https://changingplaces.uktoiletmap.org/>

Gardens and Grounds

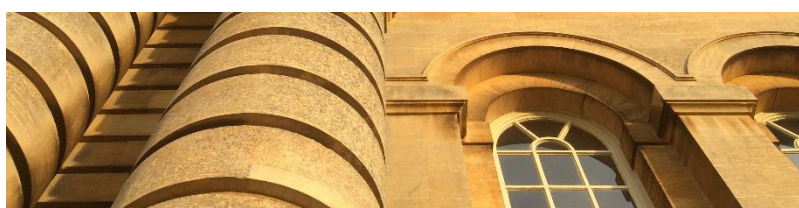

The gardens and grounds are mostly accessible for wheelchairs, but many of the paths are gravelled and can be difficult to navigate with a wheelchair. Additionally, the woodland and playground areas have earth underfoot and therefore will be difficult to access. Respite points are scattered across the gardens and parkland.

Castle

The Castle tour involves ascending/descending several flights of stairs. The three ground floor rooms in the Castle are accessible to wheelchair users. The first floor of the Castle is unfortunately not accessible. There is a video of these rooms with commentary available to view on a TV screen in the main hall. If any of your group would like to watch this instead of ascending the stairs with the tour, **please let us know upon booking.**

Wheelchair and Buggy Hire

A wheelchair is available at the ticket reception for visitor use and folding walking stools can be borrowed at the Castle. There is an electric buggy available to carry passengers who cannot walk far, driven by one of the Estate team – **please enquire upon booking.**
